

## LCS PE Dress Code 7-12th grades

- All students taking a PE class will be required to dress out for PE. There will be a strict PE dress code. All shirts must be solid red, black, or gray...no WHITE shirts please.
- All shorts must be solid red, black, or gray...no WHITE shorts please. Small outlines of color on shorts will be acceptable.
- Please see the links listed below for approved shorts. Any shorts not on this approved list will need to be approved by administration before wearing. At any point the administration at LCS can have a student change if their shorts or shirt are not deemed appropriate.
- The PE dress code will be enforced and any student not meeting the guidelines will be asked to change or not participate in class. Failure to participate in class will hinder the PE grade for a student.

Thank you for partnering with us this year!
